

Flagship template for the EU Strategy for the Baltic Sea Region (EUSBSR)

Actions of the EUSBSR can be implemented by means of flagships – projects and processes. In addition, they can serve as examples for desired action. This template is meant to help assess projects/process applying for flagship status. It is to be completed by the responsible policy area or horizontal action coordinator when submitting of a proposal for flagship status. The template is based on the provisions (criteria/procedure) to become a flagship as outlined in the EUSBSR Action Plan. The template is to be completed in a short and concise manner.
